

**Improve Completion Rates of the Free Application for Federal Student Aid (FAFSA)**

In accordance with CT Statute 10-223m, and in order to improve the completion rates of the FAFSA by students enrolled in grade twelve in the South Windsor Public Schools (the “District”), the District shall develop a systematic program through which such students are educated about the purpose and content of the FAFSA, encouraged to complete the FAFSA, and assisted in the completion of the FAFSA, as may be necessary and appropriate. The Board authorizes the Superintendent or designee to develop administrative regulations in furtherance of this policy. The Board further directs the Superintendent or designee to conduct periodic assessments of such regulations, at least annually, to determine effectiveness in improving completion rates of the FAFSA.

Any information contained in a FAFSA, held by the Board, shall not be a public record for purposes of the Freedom of Information Act and thus shall not be subject to disclosure under the provisions of section 1-210 of the Connecticut General Statutes.

Each year, the Superintendent or designee will report to the Board the FAFSA completion rate for each high school in the District.

The Board may accept gifts, grants and donations, including in-kind donations, to implement the provisions of this policy.
